

Patrick Seeb is returning to St. Paul!

Patrick is going to be our guest speaker at the August Membership Meeting on **August 13th**. He will be talking about **Destination Medical Center (DMC)**, an initiative in Rochester to use Mayo Clinic to attract investment and grow the life science sector of the state. It's a long-term strategy to position Minnesota as a global destination for health. They are leveraging the strength of Mayo Clinic to stimulate a multi-billion dollar transformation of Rochester. Take a look at the DMC map [here!](#)
