

The Economic Outlook for Commercial Real Estate Investors and Decision Makers

What does an economist know about commercial real estate? Imagine an economist, who owns commercial real estate, holds a real estate license and has developed real estate. Dr. Dotzour will explain, in modern English, and with real life examples, what is going on in the economy as it affects the commercial real estate market. Join us as we will learn the effect that these economic forces have on commercial real estate:

- Federal fiscal and monetary policy
- Global economic trends
- Stock and bond market trends
- Federal tax policies
- Consumer confidence
- Future employment/job growth

Keynote Speaker:

Dr. Mark G. Dotzour
Real Estate Economist

Dr. Mark G. Dotzour is a real estate economist, who most recently served as Chief Economist of the Real Estate Center at Texas A & M University in College Station for 18 years. He has given more than 1,500 presentations to over 250,000 people and written more than 90 articles for magazines and trade journals. His research has been quoted in the Wall Street Journal, USA today, Money Magazine and Business Week.
