Car shows are right around the corner, and so are car manufacturer deals. If a Nissan LEAF is on your wish list, the month of March is the time to act.

1. **Xcel Energy customers can purchase a Nissan LEAF by March 31, 2017 and receive a \$10,000 incentive\***. Read below to find out about eligibility and what you need to do to take advantage of this offer from Nissan, and then start shopping at local Nissan dealerships.
2. **Earn up to \$7,500 in federal tax credits.** Consult a tax specialist to learn more about eligibility and how to receive this tax credit.
3. **Receive 24 months of complimentary public charging at select DC fast charge stations.** By participating in this limited-time special offer from Nissan, you may qualify to receive free public charging. Your Nissan dealer will provide more details.
4. **Charge your EV at home for as low as \$1 per gasoline gallon equivalent.** As an Xcel Energy customer, you may select from a few pricing plan choices including the General Plan, Time of Day Plan, or EV Rate Plan to suit your lifestyle and budget.

\*\$10,000 incentive is off of MSRP and cannot be combined with any other Offers or Nissan incentives (Rebates, APR or Leases). This offer applies to all new model year 2016 or later Nissan LEAFs purchased from a participating dealer that is located in a qualifying market, and purchased during the qualifying period for such qualifying market. Does not include leased Nissan LEAF vehicles. See your local participating Nissan Dealer for complete details.

## What you need to know to get in on the deal

Bring in your Xcel Energy bill or show your online bill account with your account number to any of the following Nissan dealerships: Eden Prairie Nissan, Kline Nissan, Lupient Nissan in Rochester, Luther Nissan, Mankato Nissan, Miller Lincoln in St. Cloud, Morrie's Brooklyn Park, Walser Nissan or Wayzata Nissan.
